DAYA Materials Bhd's subsidiary, Daya Profscorp Sdn Bhd (DPRO), has inked a memorandum of understanding (MoU) with Cimolai Technology SpA to confirm that for the proposed project, Mobile Straddle Transporter MST 320, Cimolai will quote only through DPRO. The polymer manufacturer and oil and gas service provider in an exchange filing yesterday said it will not propose any equipment other than Cimolai's. Cimolai is involved in the design, manufacture and supply of machines for lifting and transportation operations.
