

Daya Materials wins job from schlumberger

StarBiz · 16 Aug 2016 · ·

KUALA LUMPUR: Daya Materials Bhd's unit Daya Maxflo Sdn Bhd has secured a three-year contract from Schlumberger for the provision of specialised well services in Saudi Arabia.

The project would commence in the third quarter of 2016, the company said in a statement.

Schlumberger, present in about 85 countries and employs about 100,000 people, is a global provider of technology for reservoir characterisation, drilling, production and processing for the oil and gas industry.

Daya Materials was established in 1994 with the vision of creating an integrated oil and gas company based in Malaysia with a global reach.

The group is now a major player in the regional oil and gas industry with operations throughout the AsiaPacific, Europe and Middle East. — Bernama
