

Daya, TDA Sign MoU On Passenger Systems Solution

KUALA LUMPUR, Feb 2 (Bernama) -- Daya Materials Bhd's unit, Daya OCI Sdn Bhd has signed a memorandum of understanding with Technology Depository Agency Sdn Bhd (TDA) for the establishment of a crowd/passenger systems solution for the transportation industry in Malaysia.

TDA, an agency falling under the purview of the Ministry of Finance, is mandated to operationalise the Policy and Guideline on the Industrial Collaboration Programme in government procurement, Daya said in a filing to Bursa Malaysia today.

Further announcements on the proposed transaction will be made at the appropriate time, it added.
