## Daya Secadyme secures RM67 mln Carigali contract

KUALA LUMPUR: Daya Materials Bhd's subsidiary, Daya Secadyme Sdn Bhd has received a letter of award from Petronas Carigali Sdn Bhd for the provision of integrated production chemicals supply and services worth RM67 million.

In a filing to Bursa Malaysia Thursday, Daya Materials said the contract is for a five-year period beginning Dec 11, with an option for extension for a further one year.

"The execution of the contract depends on work orders to be issued to Daya Secadyme from time to time when supply of in-

tegrated production chemicals and services are required," it said.

Its Group Chief Executive Officer, Datuk T. S. Lim said the contract would elevate the group to the next level in the integrated production chemicals industry in Malaysia.

"We believe that this is yet another step in the right direction for us as we leverage our strong franchise to capitalise on the expected recovery of the oil and gas sector, as well as continue to focus our resources on our more profitable businesses within the group in order to return Daya Materials to profitability. —Bernama
